LIGHTNING'S WORK.
Most Vivid Electrical Display of the Season.
ACCOMPANIED SUNDAY NIGHT'S STORM
Lightning Flashed Incessantly and Thunder Pealed Continuously—Seven Fires Seen from Shawangunk Lodge—Barn and House Burned.
The most vivid lightning of the season accompanied the shower of Sunday evening. Flash succeeded flash in such quick succession that the illumination was almost constant, and the thunder pealed and crashed incessantly.
No damage was done by lightning in this city, but in the adjacent country a number of buildings were struck and set on fire. A telephone message from Shawangunk Lodge says that at one time seven fires could be seen from the piazza of the lodge. Most of these fires were, however, in the eastern portion of the county.
The wagon house on the farm of Alanson Graham, near the Howells school house, was struck about 8 o'clock, and the building and its contents were destroyed by the fire which followed. The building was insured with E. E. Conkling and the contents with Case & Taylor.
The dwelling of Mrs. S. A. Person of near Bullville, was struck by lightning Sunday night. The building and contents were destroyed by fire. The loss is covered by insurance in the Hanover and German Alliance Companies through the agency of Case & Taylor.
The house was a three-story building of fourteen rooms, and there were seven boarders in the house at the time. They lost all of their baggage and clothing excepting two trunks.
A corn crib on the farm of Asa Mapes, near Highland Lake, was struck by lightning Sunday night and consumed by fire. Hard work prevented the flames from spreading to the adjacent buildings.
PATRICK GOLDING KILLED.
Run Over by an Engine at Maybrook and Died in Poughkeepsie Hospital.
Patrick J. Golding, of this city, died in the Vassar Hospital, Poughkeepsie, Sunday, at 1:50 o'clock, from the effects of injuries sustained at Maybrook.
While crossing the tracks an engine, which he did not see coming, ran him down, crushing his left leg about the knee. There was no doctor to be had, so he was taken to Poughkeepsie, arriving there at 1:20. An ambulance was in waiting and he was at Vassar Hospital at 1:30, but in twenty minutes he was dead. Loss of blood and shock were the causes given at the hospital for his death.
Mr. Golding has been employed for three years by John McCarry, near Montgomery, and was at Maybrook Sunday, visiting his sister, the wife of John Reagan, a conductor on the Poughkeepsie bridge road. He was thirty-nine years old and resided here most of his life, having come here from Ireland, twenty-five years ago.
He is survived by his parents, who reside in this city, and three sisters. Mary, wife of John Mullen, an employee of the O. & W. in this city, Sarah, wife of James Reagan, of Maybrook, and Ella, residing at home.
Mortgage on Real Estate Cancelled.
In the Supreme Court at Newburgh, Saturday, Judge Dickey granted an order cancelling from record a mortgage given in 1872 by Thomas Butler, of this city, to Hugh & Mellor, of Newburgh. The mortgage was paid in 1873, but was not taken off record, and Hugh & Mellor being both dead and the receipt having been burned, it was necessary to apply to the court for the cancellation of the document.
Valuable Dog Fatally Burned.
Samuel S. Shorter washed his valuable fox terrier, with benzine, this morning, to kill fleas. Some of the liquid spilled on the step and a match was touched to it. While it was burning, the dog rushed up out of the yard and in an instant was enveloped in flames and was so badly burned that he had to be killed.

Fell from a Bicycle.
James Brown, the young son of John Brown, of near Fair Oaks, sustained a bad fall from a bicycle Sunday morning. He struck upon his head, cutting a gash which required eight stitches to close. He was rendered unconscious and remained so for two hours. Dr. Satter, who was called, said that he was suffering from concussion of the brain. He is somewhat better today.

THE DIAMONDS RETURNED.
Ella Phillips and Thomas Sweeney Adjust Their Differences—The Woman Discharged.
Capt. Vohr returned Saturday night from New York, having in custody Ella Phillips, who was accused of having stolen a quantity of diamonds from Thomas Sweeney. The woman was taken to the office of Recorder Barnes, where she and Sweeney had an interview. The diamonds were exhibited, and after considerable discussion, the ownership of the gems was finally determined, the charge withdrawn, and the pair departed in company for their home on Genung street.
Mrs. Phillips left town at an early hour, this morning, when she learned that Mr. Sweeney had applied for a warrant to detain her as a witness to the shooting affray.
A warrant has been issued for the arrest of the man who shot Sweeney, and it is in the hands of the New York police. Sweeney says that the assault was the result of a conspiracy between the woman and another man here in town, and that the man who did the shooting was simply a tool of the others who were trying to "do him" out of his property.
GOLF CLUB TOURNAMENT.
Held Monday Afternoon—Better Playing and More Interesting Than the First One.
The second tournament of the Orange County Golf Club, which was postponed from Sunday, was held Monday afternoon. Owing to other engagements the number of players was not as large as at the first tournament but the playing was much better and the contest much more interesting.
The first round was won by Henry Smith. The target shooting was the centre of interest, the medals were awarded to the following who out of a possible 33 made the scores annexed:
August 25th 31; Volod 29; Henry Newman 28; C. H. Pickard 28; John Berklin 28.

Three two-packs, of one dollar entry, each man, were shot. Steele and Lawrence tying for first money in one match, and Steele winning the other two.
There was no robbery and no official scorer, and there is considerable discussion among the contestants over the result, some claiming that birds were credited as kills when they died out of bounds and also when they were shot by outside parties.

PIGEON SHOOT ON FAIR GROUNDS.
Very Large Attendance at the Volksfest, Afternoon and Evening—The Klebri Club's Visit—Shooting and Other Prizes.
The sixth Deutsches Volksfest, held Monday, under the auspices of the Mannerchor Germania, at Mannerchor Park, was a grand success. Everything passed off smoothly and a thoroughly good time was enjoyed by all.
The festivities began upon the arrival of Erie train 9, with about 100 members of the Klebri Club, of Paterson, headed by Robinson's band, the ladies and gentlemen of the society, marched through the streets to Franklin Square, where the party boarded cars for Midway Park.
A very pleasant hour followed, dinner being served at the restaurant by Manager Stewart. At two o'clock the O. & W. Band, which had given a concert at the Square, upon the arrival of the visitors, went to Mannerchor Park, where the Klebri society had congregated. Both bands entertained the crowd with selections during the afternoon.
Various games and contests were indulged in and prizes were awarded to Mesdames Henry Smith, Henry Herman, August Metzner, A. Gottwald, and Messrs. E. Furthofer, Fannie Metzner, and L. Mosher.
The fat man's race was won by Henry Smith.

In boarding O. & W. train 5, at Centreville station, he somehow slipped from the steps and fell beneath two cars, directly upon the rails. Fortunately for him, however, he fell in such a way that the platform of the head car struck him and dragged him along preventing him from going under the wheels. His cries finally attracted the attention of the trainmen, and when the train was stopped he pulled himself out and boarded the train, getting off at Fallburgh apparently uninjured.

after you have concluded that you could not do it without coffee, it is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. By Associated Press.
RENNES, Sept. 5.—In the Dreyfus trial, today, M. Trarieux, former minister of Justice, made a very telling deposition in the prisoner's behalf, explaining how a belief in his guilt had been changed to a conviction of his innocence.
He recounted a conversation with a foreign ambassador, who declared that Dreyfus never had relations with him or any other of his country, while the ambassador added he possessed documents proving the guilt of Herzhazy.
In closed session, Labori's suggestion that application be made to Germany for the documents mentioned in the bordereau was unanimously rejected.
